

ENVIRONMENTAL POLICY

Shintech's Freeport facility conducts its operations in an environmentally responsible manner that is protective of the community in which we operate.

We are committed to:

- Compliance with applicable legal regulations and with other requirements we subscribe to which relate to our environmental aspects
- Prevention of pollution
- Minimization of wastes
- Continual improvement of our Environmental Management System

Setting and periodically reviewing environmental objectives and targets promotes excellence in environmental leadership.

Shintech's Freeport facility conforms to ISO 14001:2015 requirements and continually strives to be a responsible steward of the environment.
